

Dear Friend of the Haverhill Firefighting Museum,

We hope that you and your family are well during these very trying times.

For us, we would have welcomed you in May for our 5th annual Kentucky Derby Gala and then again in October for our 14th annual Chili Cookoff. These events are not only fun but also raise the funds necessary for the operation of the museum. We've missed you, along with our families, school and senior groups that usually visit during our season. Having to remain closed in 2020 has been a challenge, as you can well imagine.

Normally the funds raised at these events sustain us throughout the year and allow us to evolve. We are reaching out in the hope that you are able to support

the Haverhill Firefighting Museum this year by becoming a member. Your Benefactor Plus Membership will include an engraved brick in our 9/11 Memorial Walkway, a perfect gift this holiday season.

Thanks to your past support at these events, and in preparation for our 2021 season, we expanded our "Hero Headquarters" interactive children's learning and fun center, developed a Family Fire Safety Packet now available to school children and the public.

For more information visit our website, www.haverhillfirefightingmuseum.org.

Still in development is a comprehensive exhibit featuring the Stevens Street Fire.

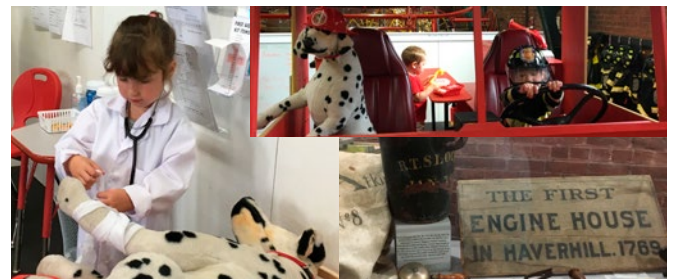

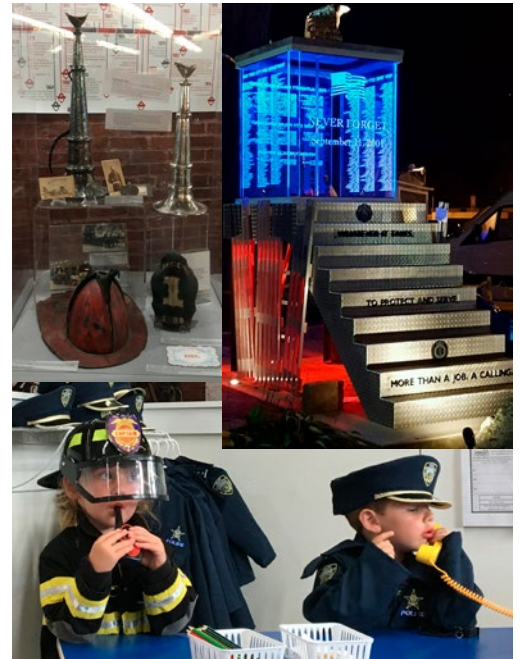

We are planning to kick off our 2021 season with our Annual Kentucky Derby Gala in May. But until we are able to see each other again, won't you please consider becoming a sustaining member of the museum?

We so appreciate all the support you've given us over the years.

Thank you very much for your consideration!

Very truly yours,

James Graham, HFFM President
